Description

This property offers an unbeatable location, with a flat walk into Moraira, making it perfect for those seeking convenience. Set on a spacious 951 m² plot, it features a generous parking area leading directly up to the inviting pool and terrace.

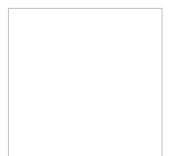

Upon entering through the main entrance, you'll find a wide hallway with a double bedroom and a storage room—currently used as a bedroom—plus a recently renovated shower room on the ground floor. An open staircase guides you upstairs to a bright, expansive open-plan kitchen and lounge, with access to a sweeping external staircase that descends to the swimming pool area.

Adjacent to the lounge, there's a large master bedroom with a newly renovated en-suite shower room. While the property has been partially renovated, it presents a fantastic opportunity to personalise and complete the finishing touches.

Offered at an excellent price of €575,000, this home combines location, size, and potential, making it an ideal choice for those seeking to create their dream residence in Moraira.

Please note that this property requires additional renovation work and is being sold as seen.

The driveway and Garden require the majority of attention.
