### Description

Come see this exclusive modern Ibizan style villa, which is built in a beautiful and quiet location in Calpe just 1.9 km from the next town. br>br>

Once you enter, you are immediately impressed by the space that is highlighted by abundant natural light, elegant finishes, window frames and, among other amenities, that highlight the philosophy of "less is more".br>br>

This villa offers the most gorgeous views of the sea that are softened by the many trees that are distinct from the neighboring area, as well as the manicured lawns and tropical growth within the property.br>br>

Standing out for its white facade, this beautiful villa has 3 bedrooms, one of them en-suite with its own bathroom and dressing room that is ideally equipped to cater for both him and her. br>br>

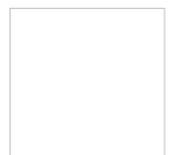

Wake up to the most incredible views of the sunrise and be swept away under the blanket of 1000 stars offered by the large sliding glass doors that open to charming private terraces and a magnificent swimming pool where you can sit back, relax and take the nap you want. br>br>

The private garden offers an expansive view of the region that eliminates the need for works of art in a minimalist style that allows the focus to remain where it belongs: the gifts that nature has bestowed on us. br>br>

The kitchen is also finished in an American style while the dining room gently opens to the outside. br>br>

Other amenities that come with this beautiful villa include an alarm system, electric shutters, air conditioning, underfloor heating, private parking and more.br>br>
