Description

Duplex penthouse in the Golden Ray urbanization, a property that combines a well-designed layout, solid build quality, and a highly sought-after location in Jávea. The home is distributed over two clearly defined levels. On the main floor, there is a spacious and bright living-dining room with direct access to the terrace, creating a comfortable and functional space for everyday living. The independent kitchen is generously sized, fully equipped, and includes a utility gallery, a highly practical feature. This level also offers two bedrooms with built-in wardrobes and a complete bathroom. The upper floor is dedicated to the most private area of the property, featuring the master bedroom with an en-suite bathroom and a dressing room, providing comfort and privacy. The property stands out for its good construction qualities, well-maintained flooring, quality interior carpentry, integrated built-in wardrobes, and a layout ideal for both permanent living and holiday use. The main highlight is the large upper terrace, a versatile space perfect for outdoor dining, social gatherings, and relaxing all year round, thanks to Jávea's exceptional Mediterranean climate, with mild winters and abundant sunshine. Located in a quiet and well-established area, this duplex penthouse is an excellent choice for those seeking space, privacy, and quality of life on the Costa Blanca.
