Description

We are pleased to offer two adjoining apartments sold jointly, presenting a unique opportunity on the front line of the beach, with stunning open views of the Mediterranean Sea and enormous potential as a permanent residence, second home or investment. Both apartments feature a large open terrace, ideal for enjoying the sun all year round, seaside breakfasts, outdoor dining or relaxing moments accompanied by the sound of the waves. A privileged space that becomes the true highlight of the property. The apartments include a full bathroom, functional kitchen and bright living room, with excellent natural light and a pleasant connection to the outdoor areas, designed to provide comfort and well-being. The residential complex also offers a communal swimming pool, perfect for enjoying the surroundings in a quiet and well-maintained environment. Located in one of the most sought-after areas of Jávea, the Port, these apartments allow you to enjoy the convenience of living just steps from the beach, with a wide selection of restaurants, cafés, shops and all essential services, without the need for a car. The joint sale of both apartments offers multiple possibilities: combining them into a spacious and exclusive seafront home, using them for holiday rentals, or enjoying a versatile space ideal for families or guests. A unique property sold as a whole, on the seafront and in one of the best areas of Jávea. *Two apartments sold together*
