Description

This villa is situated in one of the higher positions in Racó de Galeno, Benissa Costa, and stands out for its unobstructed panoramic views of the sea, the coastline of Calpe, and the Peñón de Ifach. The view is present from various areas of the property and also serves as the main element outdoors, featuring a heated infinity pool, spacious terraces, an outdoor kitchen, and an outdoor shower. The villa comprises approximately 267 m² of built area on a plot of around 1,500 m², distributed over two floors with four bedrooms, three bathrooms, a guest toilet, and an elevator. The interior has a serene, contemporary look with high-quality materials, bespoke oak elements, and an open kitchen with an island. Thanks to the domotics system, lighting, climate control, shading, curtains, security, irrigation, and pool functions can all be managed centrally and remotely. Solar panels, a heat pump for the pool, a charging point for electric cars, and various additional technical features complete the property. The villa is located in a quiet and exclusive residential area, while Benissa Costa and Calpe can be reached in about ten minutes, and Moraira in approximately fifteen minutes.
