Description

Building plot for sale in La Cometa, Moraira, situated in a peaceful, established residential area close to the town centre, beaches and local amenities. The land offers the opportunity to design and construct a personalised home, subject to planning regulations and the necessary permissions. Depending on the design and positioning of the future property, partial Mediterranean sea views may be possible from an upper floor. Water and electricity networks run nearby, but the plot is not currently connected. The purchaser will need to arrange the connections and confirm their feasibility and costs. An interesting opportunity for a bespoke residential project in Moraira on the Costa Blanca.
